COVER A
RIAN HUGHES

The cover art is a detailed illustration of a futuristic city street at night. In the foreground, a large, ornate, dark-colored fountain or monument stands on a wet, reflective surface. To the left, a sign on a building reads "FEM FAB DEVICE". In the background, a large, multi-story building with a glass facade is visible, showing interior scenes of people working. The overall color palette is dominated by dark blues, greys, and a vibrant yellow-green light emanating from the building's windows and streetlights. The title "BLADE RUNNER" is written in a large, bold, white, stylized font at the top, with a white silhouette of a person running above the word "BLADE". Below the title, the names "MICHAEL GREEN | MIKE JOHNSON | ANDRES GUINALDO" are listed in a smaller white font, followed by "2019" in a large, bold, white font.

COVER B
SYD MEAD

The cover features a central illustration of Rick Deckard, played by Harrison Ford, standing on a rocky, desolate landscape. He is wearing his iconic black trench coat and a utility belt with a holster. In the background, a dark, industrial cityscape is visible under a night sky filled with stars and a large, glowing, blue, hand-shaped nebula. Several flying saucers are seen in the sky. The title 'BLADE RUNNER' is written in large, stylized, white letters at the top, with '2019' in a similar font below it. The names of the creative team are listed below the title.

Uma Produção: **QUADRINHOS INGLÓRIOS**

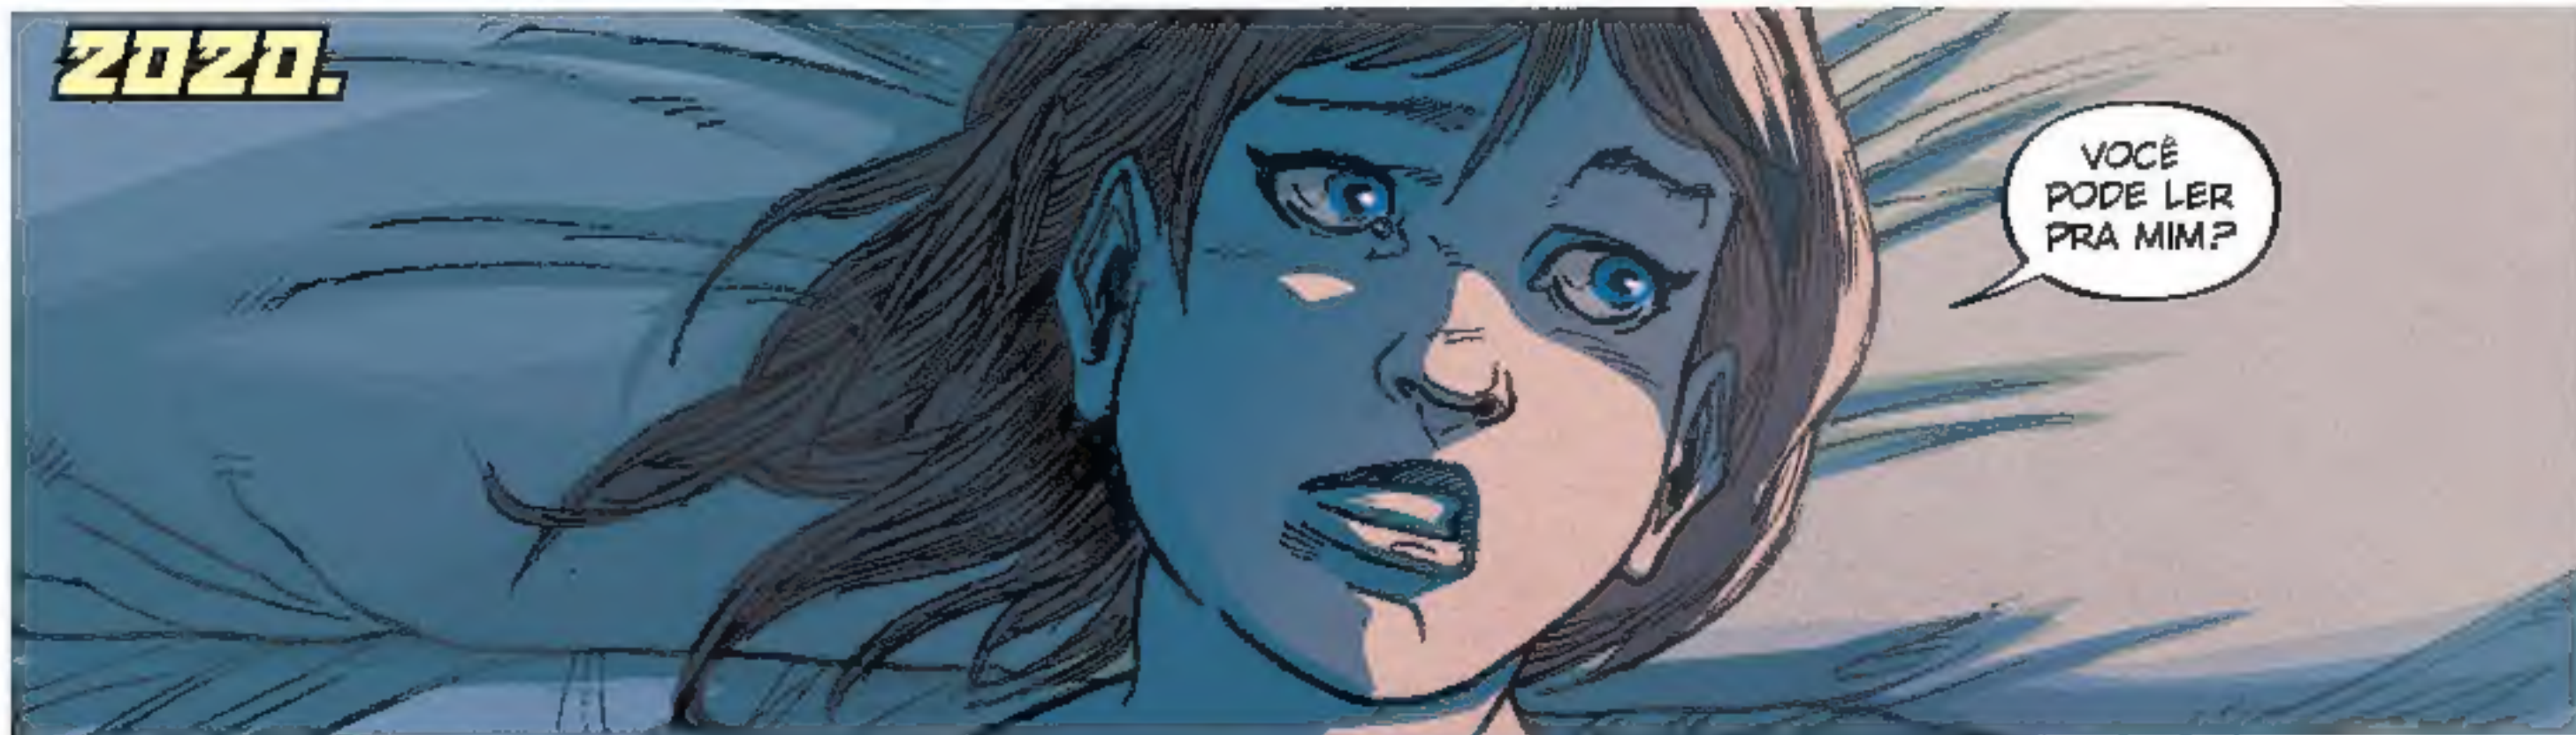

Em 2019, a Blade Runner **AAHNA "ASH" ASHINA** resgatou **CLEO SELWYN**, filha do magnata do agronegócio **ALEXANDER SELWYN**, de um plano para entregar a garota para a Tyrrell Corporation para experimentos genéticos.

Ash e Cleo viajaram para **FORA DO MUNDO**, assumindo novas identidades para se esconderem do pai de Cleo. Ash achou trabalho em uma operação de mineração lunar, longe de olhos inquisidores, mas junto com **REPLICANTES** acostumados a caçar.

Em 2022, a produção de Replicantes foi banida. Permanecendo os **NEXUS 8** que foram permitidos viver seu tempo de vida a serviço de seus proprietários nas colônias. Após o **BLECAUTE**, a Tyrrell Corporation foi a bancarrota.

Em 2026, a colônia de mineração de Ash é atacada por um grupo de Nexus 8 independentes, que libertam os camaradas Replicantes e destroem a nave de Ash e Cleo estão estacionadas. Cleo sobrevive graças a **PADRAIC**, um simpático Replicante, e juntos fogem para o espaço com os renegados...
